

INTENT TO MINE

G5, LLC has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand/clay in South Carolina (Application I-001985). A proposed reclamation plan has been submitted indicating the site will be restored to a pond after mining. The proposed mine is located in Dorchester County approximately 2.8 miles southwest of Dorchester, South Carolina. Specifically the site is located 1.6 mile southeast of the junction of SC Secondary Highways S-18-246 (Powder Horn Road) and S-18-247 (Sandridge Road). The site is located north and adjacent to an unimproved county road. The proposed mining project is located within the S.C. Coastal Zone and this advertisement serves as notification to the public of the commencement of the S.C. Coastal Zone Consistency review. For more information concerning this application, go to the Public Notice site on the SCDHEC webpage (http://www.scdhec.gov/environment/lwm/public_notice.asp) and click on **Intent to Mine Notice I-001985, G5, LLC**. Comments or inquiries concerning this application should be sent to the attention of Pam Bergstrand, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4236. Comments must be received by the SCDHEC before 5:00 p.m. on August 17, 2011. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
